

ONLINE FULL-ARCH MASTER PROGRAM

Tuition
\$1,995
50 CE Credits

Full-arch implant reconstruction (also known as All-on-4 or All-on-x) is a life-changing treatment. It is a cost-effective, graftless solution that provides patients with a fixed prosthesis on the day of surgery. Stand out as a leading practitioner by offering your patients the fixed full-arch treatment. This online program is provided in collaboration with Quintessence Publishing and includes recorded live lectures and surgeries by expert educators and clinicians.

Topics:

Full-arch treatment planning

Digital workflow

Diagnostic data collection

Surgical and prosthetic protocols

Principles and guidelines of immediate loading

Complications and solutions

Program Provides

- ✓ Recorded live lectures and recorded live surgeries
- ✓ PowerPoint presentations
- ✓ Quiz module
- ✓ Resource center containing manuals, charts, medication protocols, and more
